BTC Office Parking

Parking is available at the Business Tech Center office free of charge. Upon entering the parking lot there are a number of uncovered parking spots available. Please be careful not to park in “2 hour only” spots if you plan to stay longer. Continuing through the parking lot, you will see a parking garage directly east of the office building (see below). **You may park in any open lot in this garage that does not have a “Reserved for Suite #” sign on it.**
